**SA Management Awarded Management Contract for Cedar Grove Community**

**Princeton, NJ** – SA Management, the management arm of Solutions Advisors, a management and marketing consulting firm for senior living communities based in Princeton, New Jersey, has been awarded the management contract for Cedar Grove, an assisted living community in Parkersburg, West Virginia.

Cedar Grove is the second community being managed by SA Management for WMD Asset Management, LLC, a national leader in whole loan, mortgage-backed securities, and real estate investing. The first is Gull Creek in Berlin, Maryland. Cedar Grove represents SA Management's first project in West Virginia to add to its management contracts in four other states.

Cedar Grove provides assisted living services to seniors in 102 private studio and one bedroom suites. Residents will enjoy a variety of services and amenities including dining, personal care assistance, activities and amenities.

SA Management will provide full management services, including direction of key personnel, marketing and leasing. With its creative partner, Retiring by Design, SA Management will handle all of the advertising services as well as development of new branding for the community. "We are excited about this opportunity to add Cedar Grove Senior Living to our portfolio. The city of Parkersburg has a great vision of renewal and renaissance and we are thrilled to be a part of it," said Kristin Ward, President and CEO of SA Management.

**About Solutions Advisors and SA Management**

Solutions Advisors and its SA Management team draws on the extensive experience of a team that has successfully managed numerous senior living communities across the country. The company has successfully repositioned, performed turnarounds and opened new communities across the country, demonstrating an ability to increase efficiency and generate bottom-line results.
