While Solutions Advisors has always offered management services to communities, Solvere Senior Living is the new name of our management company, bringing management expertise to senior living communities nationwide. Rooted in Latin meaning "to solve," Solvere taps into the talents of an exceptional team of professionals with backgrounds in business, finance, operations and marketing. The same talent and entrepreneurial spirit that makes Solutions Advisors a successful senior living consulting firm is now harnessed to bring innovative management solutions to senior living communities nationwide.

## SOLVERE SERVICES
